

Recommended Cuts to Restore in FY 2011 Budget

HOUSING

Local Rent Supplement

Restore funds cut from the FY 2010 budget.

\$2 million

Home Purchase Assistance Program

Restore funds cut in the FY 2011 budget and use funds to increase the loan amount.

\$3 million

Emergency Rental Assistance

Funding in 2011 – \$7.4 million – is \$1.3 below approved FY2010 level. If anything, ERAP should be expanded.

\$1.3 million or more

Energy Assistance

Local funding for benefits in FY 2011 is \$4 million below the FY 2008 level.

\$4 million

ADULT EDUCATION AND TRAINING

Adult Job Training

The budget would entirely eliminate funds provided in FY 2010.

\$4.6 million

Adult Education

The budget would cut funding for adult education providers and scholarships for low-income students.

\$2.3 million

MAKE WORK PAY

Restore FY 2011 Child Care Cut: Funding has fallen \$27 million since 2007.

\$4 million

Earned Income Tax Credit

The budget would scale back this tax benefit for the working poor.

\$1 million

HEALTH AND DISABILITY ASSISTANCE

Interim Disability Assistance

Participation is capped at 1,500 – about half of last year's level.

\$7 million

Healthcare Provider Reimbursements

Low reimbursements make it hard for residents to access services, at a time when more health services are being privatized.

\$8 million

MAINTAIN FAMILY STABILITY

Grandparent Caregiver

Helps grandparents caring for grandchildren and keeps children out of foster care.

\$2 million

Rapid Housing

The budget would eliminate this program, which keeps families together and keeps children out of foster care.

\$1.1 million

Access to Justice

Provides critical legal services to low-income families, such as those facing eviction.

\$1.1 million
